DEDICATION

John and Julie Logan

By Susan Rioux & Phillip Pitula

This year we honor two of Winterport's outstanding citizens, John and Julie Logan, for their commitment to our Town through community service. In 1971, John and Julie chose Winterport as the place they wanted to live, raise a family, and become active members of the community by participating in our civic organizations.

Julie was a member and past president of the Winterport Women's Club. She helped beautify and energize the Town through the annual planting and maintenance of flowerboxes and organizing the "mile long yard sale" for a number of years. Julie was also a member of the Charter Commission, whose task it was to develop the rules and regulations outlining how the Town of Winterport was to be organized and governed. The Charter was adopted in 2004. Julie's dedication to our Town was also evident in her yearly commitment working as an election clerk at the polls in June and November.

John was elected to the Board of Directors for SAD 22 serving as one of Winterport's representatives, a position he held for a number of terms. John was later appointed by the Board of Selectman as a Trustee of the Winterport Sewer and Water District helping guide them, as Chairman, during some difficult times. Even this was not enough for John as he graciously accepted becoming the Moderator at our Town Meetings, a job he continues to do to this day.

After 36 years of living in Winterport, John and Julie have moved to Bangor. We surely will miss them and all they have done for our Town, but they know Winterport will always be, "home."

BOSTON POST CANE

On April 28, 2008 at the home of Eleanor Rhodes 1058 N. Main Street, a milestone celebration was held as the Boston Post Cane was presented to Edwina H. Fletcher, Eleanor's mother. On hand for the presentation were, daughter Linda Montgomery, Phillip G. Pitula the current town manager, Susan Rioux town councilor, Lledrew Hackett former selectman and nephew of the recipient, granddaughter Kathy Urquehart, grandson Toby Montgomery, daughter-in-law Arthelene Hammond, friends Lynn Anderson, Clydella Anderson, and Linda Hoff, Bangor Daily News reporter Walter Griffin, Republican Journal reporter Megan Richardson, and State Representative Michael Thibodeau.

Mrs. Fletcher was born on October 27, 1910 at her families Washington Street residence in Winterport, one year after the Boston Post Cane's were first distributed. Edwina was married for 55 years to the late Henry Fletcher, a retired Chief Engineer from the Merchant Marine, and together they raised four children in Winterport.

TOWN MANAGERS AND COUNCIL REPORT

It is that time of the year again and one that we look forward to, as it means spring is upon us and the weather is steadily getting better. Looking back over what seemed to be a never-ending winter, one remembers why we choose to live in Maine, and more importantly call Winterport our home, our friends and neighbors. This year we all struggled with high fuel prices. For some it meant putting on a sweater while sitting at home or putting off that trip to Bangor or Belfast until it was necessary. For others it was a choice between food, medication, or heating their home. At this difficult time a new resident of Winterport inquired of the town office whether or not we had a fuel fund to help those in need? He was not seeking help, he wanted to help, and help he did by making an anonymous donation to establish the first “Winterport Fuel Assistance Fund.” The Town Council and I want to thank all of you who sent in donations enabling us to help those in need who fell between the cracks of the existing services available. This fund will be available next year as long as there are monies to support it.

Like the rest of the Country and State, Winterport’s growth slowed down this past year. We had fifteen (15) new homes built, along with one (1) mobile home, one (1) duplex, and two (2) modular homes. The Low Income Elderly Housing Project proposed for Dean Street appears to have been withdrawn, due to problems with drainage that could not be easily corrected. The Planning Board is currently working to update the Shore land Zoning Ordinances required by the State along with our Subdivision paperwork, making it clearer and easier to understand.

The 3rd Annual Winterport Music Festival will take place on Saturday August 2nd at the Abbott Park Recreational Facility. An average of 750 people attended the first two events and we received numerous compliments on the wonderful music, and the great food that was available to the festival attendees. This year I am very excited that “The Kings of Strings” featuring Jay Geils and Gerry Beaudoin have committed to being our headline act. I am sure you all remember Jay Geils from the 80’s. Jay’s new group is receiving rave reviews and will be a great addition to an exciting lineup at this year’s Festival. He rounds off a very diverse group of talent; Leah Tysse, The Hi-Ball Jazz Trio, Zevulon, Inanna, Jess Tardy & Friends, Stevie Coyle, and NVR2LATE. I hope you all plan on making the Festival part of your summer activities.

In closing, the Town Council and I look forward to seeing all of you at Town Meeting on Thursday evening June 12th at the Smith School gymnasium. We promise you that we will do our best, working with you, and for you, as Town Manager and Town Council, to keep Winterport the place we love to call home. Please remember that when you are at the town office make sure you say hello.

Respectfully Submitted,
Phillip G. Pitula

BOARD OF ASSESSORS REPORT

To the Citizens of Winterport:

We continue to meet as a Board on the second Wednesday of each month at 5 p.m. at the Town Office. Our meetings are open to the public and all citizens are encouraged to attend.

With the ongoing budget problems in Augusta, we expect significant reductions in school funding and revenue sharing from the State. State spending cuts, and the increases in Waldo County Taxes, will shift more of the total tax burden to the local level in the form of increased property taxes.

Homestead Exemption application forms are available at the Town Office or the Maine Revenue Services at (207) 626-8475 or at www.janus.state.me.us/revenue.

In calendar year 2007 the Assessors approved 18 real estate abatements totaling \$9,992.19. Supplemental assessments were issued for 8 taxpayer accounts, totaling \$8,175.83.

Respectfully submitted,

Bob Reynolds
Joe Tyler
Roger Newey

THE FOLLOWING TAX RELIEF FORMS ARE AVAILABLE AT THE TOWN OFFICE:

Classification & Valuation of land as Farm and Open Space Land
(Title 36 M.R.S.A., Section 1101-1121)

Application for Exemption from Local Taxation for Veterans

Application for Exemption from Local Taxation - Widow, Minor Child or Widowed Mother of a Veteran

Maine Tree Growth Tax Law

(Title 36, M.R.S.A., Section 571-584-A)

Application for Blind Persons Exemption from Local Property Tax

(Title 36, M.R.S.A., Section 654)

Application for Abatement of Property Taxes

WINTERPORT FIRE & RESCUE ASSOCIATION

To the Citizens of Winterport

The Winterport Fire and Rescue Association is a group of volunteers who are dedicated to lending a helping hand to the citizens of Winterport and surrounding towns. The association operates the Ambulance Service and also performs a number of volunteer tasks which prepare us to respond to emergency situations. The members donate many hours training to become licensed EMT's and maintain those licenses which are required to provide appropriate aid on the ambulance when you are sick or injured and to be prepared with equipment, such as the Jaws of Life, to assist the ambulance service at accident scenes. The ambulance attendants and drivers are not paid for their time responding to calls or time spent in training. On the fire side of the slate, the volunteers attend training four times a month. This training encompasses fire suppression techniques, operation of fire equipment, safety on the fire ground, traffic control and fire suppression, etc. This year completion of Federally mandated communications/incident command training has been in the forefront since without this training the town would not have been eligible to submit any grant applications this coming year.

The association also takes pride in providing manpower and equipment for such community projects as traffic control for the Christmas pageant as well as Memorial Day ceremonies and July 4th and Veteran's Day parades, as well as putting up and removing the Christmas decorations along Main Street. We work closely with the other organizations in town for the community good.

This year the ambulance service provided the funds to purchase a 2008 rescue truck. The fire service will be funding the setup of this new truck. This vehicle should be in service before the first of May. No taxpayer's dollars have or will be spent on the acquisition and setup of this vehicle. The ownership of this vehicle has been turned over to the Town. The old rescue vehicle, a converted 1982 ambulance, had some very real mechanical and safety shortcomings which demanded we procure a new vehicle. This vehicle is very important to us as it carries the Jaws of Life equipment, traffic control devices, a generator for lighting, support equipment for firefighters at a major fire., etc.

Respectfully submitted,

Thomas A. Doe, President; William Rogers, Vice-President; Thomas Skratt, Secretary/Treasurer

Reports from the Winterport Fire & Rescue and the Volunteer Ambulance will be available at the Town Meeting.

INDEPENDENT AUDITOR'S REPORT

March 27, 2008

Members of the Board of Selectmen
Town of Winterport
Winterport, ME 04496

We have audited the accompanying financial statements of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Winterport, Maine as of and for the fiscal year ended June 30, 2007, which collectively comprise the Town's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Town of Winterport, Maine's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall general-purpose financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of Winterport, Maine as of June 30, 2007, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The management's discussion and analysis and budgetary comparison information on pages 2-5 and 24, are not a required part of the basic financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of Winterport, Maine basic financial statements. The introductory section, combining and individual nonmajor fund financial statements, and other supplementary information are presented for purposes of additional analysis and are not a required part of the basic financial statement. The combining and individual nonmajor fund financial statements and other supplementary information have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. The introductory section has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

Respectfully Submitted,
James W. Wadman, CPA

TAX-ACQUIRED PROPERTY TO BE ADVERTISED FOR SALE JULY 21, 2008 BY SEALED BID

The Town of Winterport has parcels of property that have been acquired through the tax lien process which it may sell by sealed bid. The Town plans to receive bids on these properties no later than **July 21, 2008 at 4:00 p.m.** at which time they will be opened. The Board of Selectmen as authorized by Town Meeting will advertise for sealed bids all listed real estate not repurchased by the former owner by **July 07, 2008**, and after this date the former owner may only acquire the real estate through this sealed bid process. Properties repurchased by the former owner will not be advertised for sale.

Bids will be awarded by the Board of Selectmen on **August 26, 2008 at 7:00 p.m.** in the Town Office. Bids should be mailed or delivered to:

**Town of Winterport, P.O. Box 559, Winterport, ME 04496
20 School Street**

Minimum bids on each of the following properties are listed below. All bids should be in a sealed envelope marked with the Map and Lot number of the parcel to which the bid applies, name of bidder, phone number of bidder and the envelope should be clearly marked "BID" in large letters. Payments must be made by certified check or money order. The successful bidder will be issued a Quit Claim Deed by the Town of Winterport. Each bid must be accompanied by a **deposit of 10%** of the bid price in a certified check or postal money order. The successful bidder shall complete the purchase within (30) days of the bid award. If a successful bidder fails to complete purchase, that bidder's deposit shall be forfeited to the Town. All deposits will be returned to unsuccessful bidders. The Board of Selectmen reserves the right to accept or reject any and all bids.

Citizens Survey

Winterport Recreation Department Citizens Survey

Please take the time to fill out the following survey and mail or hand in to the Town Office.

1. At present we have the following programs for our town's children, would you like to see other programs offered for our towns' youth? Please state if it is something you would be interested in volunteering in helping organize and run. Our present programs are Fall Soccer, Winter Basketball, Cheerleading, Winter Cross Country Skiing and Spring Baseball. Some examples could be Arts and Crafts, Track and Field, Girl's Softball. Indicate here if you have a new program request or idea.

2. One thing we have very little of is programs for adults in our community. At present all we have is Adult Men's Basketball and Women's Basketball. If there is anything that you may want to see as a program or class for adults please indicate what your idea/idea's are below. Some ideas could be Coed Softball, Coed Basketball, Walking Group , Arts and Crafts.

3. We have had events in the past that seemed to have success with attendance, these are the Annual Winter Sled Night, Summer Fun Day and 3 vs. 3 Basketball Tournament with Hampden Recreation. If you have any other ideas for an event that may draw our citizens together please indicate these ideas below. Please give your name if you feel you may want to help in these new ideas or any of the events we have now. Some examples are Movie Night, Dancing under the Stars, Breakfast with Santa, Easter Egg Hung, Road Race.

Your idea is: _____

4. If you have been to Abbot Park, our recreation area, you have noticed we have what is left of a tennis court. This court has been in disrepair for many years now and is an eye sore and is a potential hazard to our community. A decision needs to be made, if we are going to repair it or tear it down. There have been a few inquiries from people why we have not done something to get it back in working order. The cost involved is the biggest factor. Below I will indicate the rough estimate it would cost to repair the courts or to replace it.

Cost to repair (these estimates were given to the department in 2007)

- Reclaiming the surface (pulverizing the existing pavement adding 6" of sub base and resurfacing with underlayment of asphalt) - \$39,000.00
- Tennis coating and Striping - \$7,400.00
- Fencing (reusing the existing fence - \$17,000, replacing the fence - \$24, 000.00)

	\$39,000.00
	\$7,400.00
	\$17,000.00
Total repair cost	<hr/> \$63,400.00

Please indicate if you feel we should repair the tennis courts or tear the courts down and seed the area into grass.

Repair _____

Tear down _____

Thank you for taking the time to complete this survey. The results are invaluable to the department in how we offer programs and events for our community.

THE NEIGHBOR'S CUPBOARD

March 2008

The Neighbor's Cupboard is the emergency food resource for low income families, the working poor, and other families in distress in Winterport and Frankfort. This is our twentieth year. We are a non-profit organization located at the Calvary Apostolic Church on Route 1A. We welcome those in need or those who wish to donate to visit the Cupboard or reach Donna Allen by phone. The Neighbor's Cupboard is open every Wednesday from 9:00 to 10:00AM.

In 2007, 154 different families used the Cupboard for a total of 924 visits. Over 2158 bags of food were distributed. Fifteen emergency food packs were distributed by the Winterport Town Office to those in need after Cupboard hours.

We are supported by food drives and fundraisers throughout the year: Smith School, Wagner School, Hampden Academy, Frankfort Cub Scots, Winterport and Frankfort Letter Carriers Food Drives all combine to provide two months of food. Special thanks to the community members who continue to coordinate and staff these food drives. An annual request for funds is mailed to the community each November. We thank the community for its continued generous financial support during this time of recession and high oil prices. We are especially thankful for the tons of food we obtain from the Good Shepherd Food Bank and the Weston Bakery. We are the designated distributor of USDA "surplus foods" although this Government resource has decreased dramatically over the past two years and will decrease again this year.

The Neighbor's Cupboard coordinated the efforts of the Calvary Apostolic Church, Frankfort Congregational Church: United Church of Christ, St. Gabriel's and United Methodist Church and some private individuals to give out 43 holiday food baskets at Thanksgiving and 29 at Christmas. An anonymous Easter Bunny donated 8 Easter dinners.

Out Baby Layette program helped 4 new moms and their babies this year by providing new and used outfits, sheets, towels, blankets, hand made items, and baby care books.

Our heartfelt thanks go to the wonderful organizations, businesses and town folk who through their volunteer hours and donations of food and money support the Neighbor's Cupboard. Special thanks go to the Cupboard volunteers: Sonja Butler, Diane and Raymond Cornelison, Stephanie and Wanda Dunton, Francis Kingsbury, Leo LaChance, Sabrina and Sam Morris, Coleen Rancourt, Keith Ritchie, George White, Bettly Williams, Deb Williams, and very special helpers: Sam Butler and Stanley Bowden.

New volunteers with a strong sense of commitment to the community are needed to sustain our high level of service to out clients. Please call Donna Allen or drop in on a Wednesday if you are interested in joining the crew.

Respectfully Submitted,
Donna Allen, President

CODE ENFORCEMENT OFFICERS REPORT

There were 15 new houses, 1 mobile home, 1 duplex, 2 modular homes and 1 commercial garage stats this year. This is about the same as last year for growth.

It is the same in all of the othertowns that I have spoken with. The people as a whole are not building or buying the large colonial type homes. Most of the new starts are the smaller ranches and raised ranches that are selling for under \$200,000. These are being built and are selling.

The majority of subdivisions that were approved last year have not as yet been completed therefore very few lots are available to the prospective buyer or builder.

This past year I did not spend much time on Automobile Graveyards and Junkyards because of major surgery and vacations, but I will be out looking at the entire town just as soon as the snow is gone this spring. If you have **three or more un-registered or un-inspected motor vehicles** on your property, or a lot of **junk laying** around your yard, you will be receiving a letter from the Town, asking that you become compliant with the Town's Ordinances, and The State of Maine Statues.

REPORT OF THE WINTERPORT CEMETERY DISTRICT

The District Board meets on the third Wednesday of each month throughout the year. Time has been spent adopting a unified policy of regulations for operation of the cemeteries, developing an updated inventory of the cemetery lots and repairing damage caused by time and vandalism.

For those who may not know, there are seven public cemeteries in Winterport:

1. Oak Hill Cemetery on Lebanon Road
2. Bald Hill Cove Cemetery on the Rt. 1A and Old County Road
3. Grant/Littlefield Cemetery on Goshen Road
4. Clements Cemetery on the Monroe Road
5. Ellingwoods Corner Cemetery at Rt. 69/Ellingwoods Corner
6. Twining Cemetery on Twining Road
7. Cole Cemetery on Meadow Road

In addition to providing a final resting place, these cemeteries are also one of the best sources of the history of the people of Winterport, commemorating citizens and soldiers from as far back as the Revolutionary War. Unfortunately, time and neglect have put us in danger of losing permanently some of this history, especially in the smaller cemeteries. The Cemetery District is committed to preserving this part of our heritage.

Grave lots in the Cemeteries are available for \$225.00 per grave (\$75.00 per grave, \$150.00 for perpetual care). Although the traditional sales of graves in lots of six are still available, they are also available individually or in groups of less than six. Those interested may contact any of the trustees listed below or write the Winterport Cemetery District at POB 413, Winterport, Maine 04496.

Transfer Station Report

March 2008

Hi again from the Transfer Station. Boy the years go by fast. It seems like it was just yesterday I was writing this report for last year.

Not a lot of changes this year. We have had a \$10 increase in demo per ton. This should not affect your disposal fees at the Transfer Station as long as we keep the out town demo out of the Transfer Station.

We have had two loads of universal waste hauled this year. This has save the Town a hand full of money.

We need to really work on our recycling. I see a lot of recyclables thrown in the trash. What we recycle we get paid for. What we throw in the trash we have to pay to dispose of. Recycling prices are pretty good right now. The more we recycle the more we make, and the less we spend on solid waste. In return it may help lower your taxes. So let's work hard on recycling. Thank you.

It has been a pleasure working with you all again this year, and I look forward to working with you in years to come.

Transfer Station Supervisor

Town of Winterport Recreation Departments Annual Report

This past fiscal year the department has accomplished many things that have been on our agenda for a couple of years. We started a summer youth program, placed ground cover over our town's playground and built a walk track around Abbott Park's soccer fields. These last two items go along with our priority for the year which was park improvement of the grounds and its appearance.

We tried two new things during the summer months. One was a youth summer program that was organized and implemented by Mr. Dennis Whitney. The other was an event that Hampden and Winterport Recreation Departments worked on together, the 3 on 3 Outdoor Basketball Tournament. The summer Youth Program had small numbers in participation but those that did attend showed high enthusiasm and we plan on making it better for this coming summer. The joint venture with Hampden Recreation was very successful bringing many basketball teams from throughout central Maine for this event, both our towns look forward to doing it again. Going into the fall excitement started to build with the completion of the town's walking track, with our Town Manager, Phillip Pitula working out the details. Many people, young and old, started immediately using the track getting exercise walking the loop. While the track was being completed the playground was being covered with wood chips. Recreation Board members Chris Beaulier, Mike Knupp, Ken Miller and family, and Dave Nason spent one Saturday afternoon spreading underlayment and chips to make the playground and its use safer. There are pictures on the town's web site within the Recreation Department web page of the progress and completion of these projects.

All of our youth sports programs were a success like every year. Fall soccer had high numbers again and the different divisions in age has shown that the program is thriving as the kids are getting older. We do have one issue which is getting tougher to deal with every year. This is the fact that our soccer fields have poor drainage and are constantly wet. In the later month and a half of our program the fields have standing water at times and is a mud bath the last couple of weeks. This will be something that we need to address in the near future if the programs are to continue. This is one of the points in the departments plans on park improvement.

During the winter months we had our 2nd Annual Sled Night and many kids and adults had a great time with the sledding, bon-fire and food. Thanks go out again to Boy Scout Troop 234 for their warm bon-fire. This winter the department started a new program: cross country skiing. Kids made trails throughout our park as they met every week. This program, I am sure, will flourish as more people learn of its success.

So wrapping up, our Recreation Department's future plans are continuing its agenda on the park improvements, continuing our present programs and working on giving more to our town's residents in recreation. One last thing I would like to mention is that two individuals that have volunteered hundreds of hours to our youth and the department over the years have resigned from the Recreation Board. They are Helga Meo and Norm Poirier, these two people have given countless hours in coaching and assisting in basketball and baseball in our community. They will be missed and hard to replace, the town's youth and their parent's thank them for their dedication.

Please take time to fill out the Recreation Departments survey. With the results we hope to gather from the town's people in what direction they would like to see the department follow.

Dave Lester - Recreation Coordinator

Recreation Board Members – Chris Beaulier, Mike Knupp, Mandy Olver, Ken Miller and Heather Roberts

WINTERPORT MEMORIAL LIBRARY

Over the past year the Winterport Library has made changes that have noticeably increased the patronage from the last year. The Library has been able to purchase new books for children and adults on a quarterly bases and the library has bought an additional computer to allow more patrons to access the Internet. Also, the library has invested in a new scanning system for cataloging all the library books. Eventually all the books in the library will be listed on the computer. Books will now be checked in and out using the scanner and this will make the process smoother as well as enable a more accurate record of the books being checked in and out.

The library held an Easter egg hunt again this year and as we did last year, we gave a book to every child who participated. This is a great way to introduce reading to young children and encourage older children to keep reading.

This year's summer reading program is BUGS! BUGS! And more BUGS! I am hoping to have volunteers from the University of Maine Entomology Department come to the library and have a show and tell about bugs. Last year's summer reading program was GET A CLUE! And we had 33 participants who discovered what the library was about and where to find great new books to read. We hope to have as many or more participants this year. Space is limited so sign up early.

During the school year, the library is open Tuesday 12PM – 5PM, Thursday 2PM – 7PM and Saturday 9AM – 2 PM. During the summer we are open on Tuesday, Wednesday 12PM – 5PM and Thursday 2PM – 7PM. We now have a book drop out front so books maybe returned anytime.

Thank you all for making the library a fun and educational place for the whole community.

Ellie O'Neil
Librarian

WINTERPORT PLANNING BOARD 2007 ANNUAL REPORT

This year the Planning Board welcomed Don Dickel as a new member. The Board reviewed seven subdivision applications, one of which was also an application for site plan review. Of these, one was denied and one withdrawn, with the remaining five having been approved. All fo the applications, except one, involve single family residential lots. The Board continues to hold workshops aimed at the revising our ordinances. The public is always welcome to attend meetings and workshops. The Board would like to thank our Code Officer, Dick Watson, and our secretary, Deb Lewis for their excellent efforts during the year.

Winterport Woman's Club

The Winterport Woman's Club has been actively involved in many community projects throughout this past year. Some of the community service projects include: Christmas lighting; flowers and plantings in the village area; sponsorship of the Girl Scouts; providing subscriptions of Kind News at Smith and Frankfort elementary schools; and a \$1,000 scholarship for a Winterport student at Hampden Academy. Other community service projects include providing Easter baskets, Halloween decorations, and Christmas gifts and Birthday-in-a-box to the residents of Harbor Family services located in Winterport.

We invite any woman who is interested in volunteer community service to join this diverse group of women. If you would like additional information about the Winterport Woman's Club please contact Katherine White, President, at 223-5746.

Sincerely,
Katherine White, President

Winter Roads Report

We had a good old fashioned Maine winter last season with lots of snow. The plowing contractor did a great job of keeping our roads safe for travel. We ended up slightly over budget on winter sand and salt. We were not alone; it was a real problem statewide.

Thank You,
David Nason

Road Maintenance Report

Last summer we rebuilt and paved the balance of the Perkins road. We also made improvements and paved Blueberry Hill Road. We also did an overlay on several roads that needed attention.

We graded shoulders, replaced culverts, cleaned ditches and culverts, patched pot holes and added surface gravel where required on some dirt roads.

Keeping our ditches clear of winter sand and tree growth is the biggest challenge we face as it is very costly to hire the work done. Again this year I proposed to the budget committee and the town council that we purchase a small excavator to perform this task because with it we could maintain our ditches more frequently and before they are so plugged up with winter sand and brush that they do not flow as freely as they should making our roadbeds act like a sponge keeping moisture in them and making them prone to failure.

Thank You,
David Nason

March 1, 2008

Dear Citizens of Winterport,

We wish to thank you, the citizens of Winterport, for your continued support of the Union Meeting House. Without your support, we could not preserve and maintain the Meeting House so that it continues to serve the community.

We are pleased to report that we saved the steeple and none too soon! More work, however, remains to be done.

When Nickerson and O'Day removed the siding from the front of the building in February '07, we discovered that with the exception of one vertical 6" x 6" support column, all of the support beams were rotted through and had to be replaced. Opening the walls was like opening a Pandora's Box. The structural engineer said that if we had not completed the repairs when we did, the clock tower undoubtedly would have collapsed within a year due to the degree of the structural deterioration. Needless to say, there were restoration expenses we had not anticipated. Steel beams had to be erected within the wall between the foyer and gathering area to add additional support to the west wall of the steeple.

When the weathervane was removed for repairs and painting, we discovered it had deteriorated to such an extent that it had to be replaced. Nickerson and O'Day had an exact replica made. The 'devil's fork' atop the vane is original. The original weather vane itself is now displayed in the Historical Association Building.

What was expected to be a three-month project took over six months to complete. The firm of Nickerson and O'Day worked closely with the Meeting House Board of Directors to keep costs to a minimum while at the same time providing top quality materials and workmanship. They did an outstanding job!

Your support to this major restoration effort was augmented by other fund raising efforts:

- The "Save Our Steeple Supper" sponsored by the Winterport Fire and Rescues Association with the help of the Winterport Woman's Club raised \$2,600.
- Used books were sold at the Mile Long Yard Sale.
- Old cell phones and spent ink or laser jet cartridges were collected for recycling.

If you have any of these items, as well as unwanted paperback books to contribute, call 223-9950 for pick-up.

Despite the unanticipated costs associated with this major restoration effort, there were some monies remaining which we plan to put towards additional repairs and maintenance, e.g., painting the sides and rear exterior of the building, repairing broken shutters, replacing cracked window panes, etc. We would like to begin having weddings, memorials and musical performances, etc., again in the building this summer.

If you are interested in assisting with the restoration and maintenance of the Winterport Union Meeting House, call 223-9950 or e-mail BillGerie@aol.com to volunteer.

Thank you again for your continued support.

Sincerely,

Geraldine Dodson-Smith

4 April 2008

Our meetings are held the second Monday of each month, October through May. You do not have to be a member, you are welcome to attend and bring a guest. During the months of July and August the museum is open from 2:00-4:00 PM on Tuesday. If you would like access to our collections at any time, please contact our archivist, Theodora Weston 223-5556.

State Representative Mike Thibodeau was our October speaker. Jon Johansen discussed Naval battles of the War of 1812, and the life and career of Charles Morris, master of the Adams for our November meeting. Donna Nason invited us to her beautifully decorated home for our Christmas program. She explained the history of various ornaments and served a variety of Christmas refreshments.

The director of the Penobscot Marine Museum in Searsport, Niles Parker, presented a February program from a collection of glass plate negatives. The photographs of Winterport were taken by a company that manufactured post cards.

At the time of the major restoration of the Union Meeting House, the weather vane from the top of the steeple was replaced and the original one presented to the Historical Association where it can now be seen mounted on the wall of the museum. Its size makes it a very impressive display.

Joseph Watson, a former principal of the Smith School, had collected pictures of each of the classes, kindergarten through grade eight, during the years from 1976 to 1988. Mrs. Watson placed the binders with these pictures in the museum to add to the school history section. Parents and the children of that era will enjoy viewing this collection dating twenty to thirty years ago. Joe also had photographed scenes from the 4th of July celebrations in the years 1979 to 1983. These are contained in six carousels of slides. These items and others testify to the devoted interest Joe harbored for all things Winterport.

Nat McLeod brought to the museum an oil painting done by Silas Blaisdell, one of the eight sons of Winterport's E. Ferren Blaisdell. Nat's mother was a granddaughter of another of those sons and she had saved many records pertaining to the extensive Blaisdell family, all of whom were descended from the first Blaisdell who came to America in 1635. These records are now part of that family's history at the museum. In addition Nat brought the old sign "Blaisdell House 1785" which was once mounted on the house we consider now as the oldest house in town.

The local library has placed some records of the Ladies' Circle of the Congregational Church in the museum. This organization was founded in 1835 and continued until sometime in the 1920s. Though incomplete, these records give us a picture of a very active group who supported the church and also established a library for its members.

If you would like to become a member please contact our Membership Chairperson, Susan Rizza 223-3996 or Abbie Stover 223-4035. Membership dues are \$5 per individual. We have 62 members. We encourage donations of material of historical value relating to Winterport for our collection; diaries, journals, photographs, letters, etc. Please contact our archivist.

Respectfully submitted: Abbie Stover-Pres., Charles Rizza-Vice Pres., John Johansen-Secretary, Jean DaSilva-Treas., Theodora Weston-Archivist. Directors: John Harrington, Jr., Judy Cuddy and Manuel DaSilva.

WINTERPORT FIRE DEPARTMENT

To the Citizens of Winterport

Emergency responses in 2007 held pretty much on the averages we have been experiencing for some years now. With the rapidly escalating cost of home heating oil, it was expected that additional heating with wood would result in additional chimney fires. Thankfully that did not happen.

Our latest application for an Assistance to Firefighters Grant was gain denied for 2007. We will again apply in 2008. These funds are being reduced by the federal government every year. Our frontline engine is now 30 years old. Our 1978 FMC fire engine was down graded from 1000 to 750 gallons per minute, as part of our ISO testing. With the weakening dollar, the number of companies making fire apparatus is shrinking and the costs continue to rise rapidly. We are hopeful that the "GRANT GODS" will shine favorably upon us.

There are still a very large number of homes which do no have street numbers posted. It is EXTREMELY important that you have your street number posted to make your address easy to locate. Since about half the time it is dark, these numbers should be reflective. It is particularly important that these numbers are displayed for the direction the emergency equipment would approach from. "First red house on the right" does not work well as a description at night.

Fire permits are required for ALL open burning. Permits are available from Fire Warden, Thomas Doe, and Asst. Fire Warden Sam Butler or at the town office (9 to 5, Monday thru Friday). These permits are issued at no cost. For a fee of \$7.00 permits may be obtained any hour of the day or night on line at <http://www.maineburnpermit.com/> subject to the conditions imposed due to the environmental conditions.

The firefighters continue with mandatory training to be fully prepared to address whatever emergency we may be confronted with. This training is both internal and working with our mutual aid departments.

We have added two additional firefighters this year. Anyone interested in joining our ranks should contact the Fire Chief, Thomas Doe at 223-4412, or come to our monthly meeting which is generally the first Sunday of each month at 7:00PM, at the fire station.

New additional insulation in the roof of the fire station will be completed before the start of the heating season this fall. This will definitely be a good investment. We are also looking at adding additional insulation for the walls.

Respectfully submitted,

Thomas A. Doe, Fire Chief

Waldo County Sheriff's Office Annual Report 2007

To the Citizens of Waldo County,

Accompanying this report you will find statistics for your individual Towns regarding the Law Enforcement Activity performed by the Waldo County Sheriff's Deputies. The list is not exhaustive but does give you some idea of what type of activity is taking place in your community.

In 2007 our patrol division saw the replacement of two deputies through turn over with a third hired in January of 2008. The two hired in 2007 completed 18 weeks at the Maine Criminal Justice Academy with the third slated to go sometime this year. Changes in the detective division occurred this year with one investigator promoted from patrol and another vacancy slated to be filled this spring. None of these positions are new, only replacements from officers leaving or transferred. Our resource agreement with the Maine State Police continues to work with Troopers and Deputies alternating zone coverage throughout the county to better serve the citizens.

The corrections division has certainly been in the news this year with populations in the jail reaching all time high averages. Our boarding needs exceeded our budget this past year necessitating an increase in the 2008 budget. While we continue to provide pre trial and post conviction / re entry programming here at Waldo, the continued high pretrial population continues to drive the costs of corrections. More court time is scheduled for 2008 which will hopefully alleviate the higher pre trial populations which have a longer length of stay. While there is little good news about the local corrections situation, a state wide initiative may offer some relief. A proposal being looked at presently involves the State of Maine capping individual counties cost for corrections and assuming any future growth in the jail budget. This initiative is too lengthy to report on here in your town report; however I encourage you all to stay on top of the press following this proposal. There is a real opportunity for property tax relief in this proposal, however the devil is in the details with a county and state team working to iron out these details.

As I always remind you all with my annual reports, we are YOUR SHERIFF'S OFFICE and are accountable to you, the citizens of Waldo County. I encourage

anyone to call or stop in should they have any concerns in your communities or with this agency. We are here to serve you, the Citizens of Waldo County.

Sincerely,

DIAL 911 FOR ALL EMERGENCIES

**ANNUAL REPORT OF THE SUPERINTENDENT
WINTERPORT WATER DISTRICT
2007**

I am pleased to present my annual report to the Town of Winterport as Treasurer and Superintendent of the Winterport Water District.

The District placed its new water source and pumping station into service on June 30th 2007. The new modern day pumping station has performed flawlessly since it was placed into service. The pumping station is supported with emergency standby power and a Supervisory Control and Data Acquisition system for operator interface. Replaced also was 1,200 feet of deteriorated four inch pvc transmission main piping with eight inch ductile iron pipe from the new pumping station towards Route 1A.

District personnel conducted a system-wide flushing of all water mains, a process completed every year to maintain water quality and monitor the integrity of the system. The new pumping station has provided a significant increase in hydrant flushing capacity. In 2007 the District successfully applied for and received a Wellhead Protection Grant of \$5,000 from the Maine Drinking Water Program. This grant will enable the District to recover costs associated with protecting the area around the new water source. The District has been very successful with its Wellhead Protection Grant applications receiving a total of \$15,000 in Wellhead Protection Grants in the last 3 years.

The District is preparing a Comprehensive System Facilities Plan with the aid of a \$10,000 matching grant it has received from the Maine Drinking Water Program. Dirigo Engineering of Fairfield was awarded the project after a competitive bid process. The CSFP will identify any system weaknesses and provide strategies for correcting those deficiencies.

WWD continues to comply with EPA's Administrative Order to facilitate repairs to its sewer collection system. This year the District performed closed circuit television inspection of 9,100 feet of mainline sewer pipe. An action plan has been prepared to address issues discovered during the inspection process.

On September 24th a notice from the United States Environmental Protection Agency informed the District that it has tentatively denied a waiver from secondary treatment upon the re-licensing of the wastewater treatment plant in 2009. The District has retained legal counsel from Maine's largest environmental law firm, Pierce-Atwood in Portland, to review EPA's tentative decision. The District has submitted comments to EPA stating why Winterport should be able to retain its waiver from secondary treatment. The District has also advised EPA and the Maine DEP that it is not in a financial position to comply with this decision unless significant grant funds are provided. In initial discussions with DEP, the District has made it clear that it wants to comply with all applicable laws, but that any schedule for compliance needs to be contingent on receiving sufficient outside grant funding to make the project affordable to the 300 users of the Winterport sewer system. The District is presently working with representatives from Senator Susan Collins' and Representative Michael Michaud's offices at the Federal level and with Senator Carol Weston's and Representative Michael Thibodeau's office at the State level to identify potential funding sources. It is likely that the resolution of this issue will take several years.

WWD continues to participate in a monthly area water utilities meeting, comprised of nine nearby water systems that share information and resources. The group meets at the Bangor Water District and collaborates on current issues, ways to reduce costs to our customers and maintaining quality customer services.

In closing, I wish to extend my thanks to the Board of Trustees, the Town of Winterport, our customers, and all of the District's employees for their support during the last 12 months.

Respectfully submitted,

WINTERPORT WATER DISTRICT

Steven M. Lane, Superintendent

Dear Winterport residents and friends,

I would like to thank the people of Maine's Second Congressional District for the opportunity to serve you in the United States House of Representatives. It is a great honor for me to represent the hard working men and women of Maine in Congress.

We've made progress for Maine people. Working with community groups, town leaders, economic development experts, and many others, I was able to pass my Northern Border Regional Commission bill in the House. This bill would bring much needed federal dollars to the state for economic development purposes. Such an investment would help create jobs, slow outmigration, and strengthen our communities. I will continue to work with members of our Congressional Delegation to ensure that it becomes law.

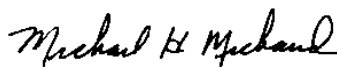

In Maine, many of our friends and neighbors are veterans. As Chairman of the Veterans Affairs Health Subcommittee, I have worked to make health care more accessible, increase the overall spending for the Department of Veteran's Affairs, increase reimbursement for veterans who have to travel great distances and assist veterans suffering from traumatic brain injury. In the coming year, I will continue to work hard for our veterans to make sure that the federal government lives up to the promises made to them.

I remain committed to providing quality constituent services. With long distances to travel, it is sometimes difficult for people to reach one of my regional offices. That is why my staff will continue to hold office hours in various communities throughout the District on a regular basis.

If my office may ever be of assistance, please do not hesitate to contact me at my Waterville office at 207-873-5713 or by emailing me through my web page at www.house.gov/michaud. While on my website, I also encourage you to sign up for occasional e-mail updates on the various issues facing Congress that are important to Mainers.

Thank you again for the opportunity to represent you in Congress.

With warmest regards,

Michael H. Michaud
Member of Congress

April 2008

Dear Friends and Neighbors:

On Friday, April 18, the 123rd Legislature adjourned its First Special Session, having completed review of more than 2,300 bills since being sworn into office on December 6, 2006. A wide range of topics were dealt with; however, I find myself somewhat distraught regarding the lack of substantive progress to alleviate healthcare premiums and reduce Maine's burdensome system of taxation. As in past sessions, sensible proposals to make improvements were met with customary methodical resistance. Why principled, beneficial reforms are made to be political issues I still cannot understand. Nevertheless, it has been an honor ensuring your voices are heard; and I will continue to work toward bringing genuine respite to my constituency.

As you are undoubtedly aware, one prominent policy matter demanded a great deal of time and discussion over the previous months. A revenue shortfall totaling \$190 million was ultimately reconciled without tapping the State's Budget Stabilization Fund. It should be noted, though, that in spite of bipartisan consensus on almost all means of resolve, members of the majority party still relied on gimmicks to bring the final plan into balance. The accelerated sale of stocks held by the State as unclaimed property, slated to bring in approximately \$9 million, is one insatiable example of the nonsensical means utilized to maintain government operations. With lingering economic uncertainties there remains the likelihood that additional assessments of State spending will become necessary so as to make certain our coffers remain in good standing.

Another measure passed by lawmakers that was subsequently signed into law by the Governor is L.D. 2012, "***An Act To Protect Children in Vehicles from Secondhand Smoke.***" Effective September 1, 2008 law enforcement officials will have the ability to pull over and cite a driver solely for smoking in a car when children are present. For the first year this new regulation limits the penalty to the issuance of a written warning. Ensuing this preliminary period, each violation will be coupled with a \$50 fine.

Before closing I want to express my sincere gratitude to the people of Winterport for allowing me the pleasure of serving you in Augusta. During the upcoming summer months I look forward to sharing with the people of House District 42 further details about the work completed at the State House. Should you have questions or concerns about the newly-enacted policies, please feel free to call upon me anytime.

Best regards,

Michael Thibodeau

Dear Friends and Neighbors:

As we begin the second regular session of the 123rd Legislature, I would like to tell you what a privilege it has been to serve as your State Senator. You, the citizens of Winterport have entrusted me with the job of representing you in Augusta. I take this responsibility very seriously.

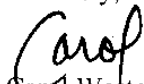

The First Regular Session of the 123rd Maine Legislature adjourned Thursday, June 21, 2007. If you are interested in looking at the bills that were passed, you can go online to <http://www.maine.gov/legis/opla/lcgdig123rd-1st.htm> and view *The Legislative Digest of Bill Summaries and Enacted Law*. Here you will find summaries of all bills and adopted amendments and the laws enacted during the First Regular Session of the 123rd Legislature.

This is the second session and while it is a short one, we have considerable work to get through before we adjourn. Some of the issues we will be dealing with include: increasing the time between car inspections to two years; requiring boat operators to take a boating safety course; clarifying whether the state can tax meals offered at summer camps; banning smoking in cars with children; and ensuring children's toys meet safety requirements.

We will also consider legislation to provide tax relief and at least two bills to correct some of the flaws with the school consolidation law. The Governor's latest plan to take over the county jails is likely to be one of the most controversial bills of the session

I urge you to contact me with your opinions or concerns. One of the greatest aspects of my job is the ability to help my constituents. If you are having trouble navigating the state bureaucracy, please do not hesitate to call me. I would be happy to help in any way that I can. I may be reached by phone at 287-1505 or by email at cweston@fairpoint.net.

Sincerely,

Carol Weston

WASHINGTON, DC 20510-1904

January 2008

Dear Citizens of Winterport:

As we mark the beginning of 2008, I welcome this opportunity to share some of the work I've done during the past year representing Maine in the United States Senate.

Maine plays a critical role in our national security through the men and women who serve in our active duty forces and our National Guard and Reserves and through the skilled employees who work at our defense businesses and installations. As a member of the Senate Armed Services Committee, I successfully supported the vital work at Bath Iron Works, Pratt & Whitney, the Portsmouth Naval Shipyard, and the Defense Finance and Accounting Center, as well as at smaller companies like Hodgdon Yachts and Global Research Technologies.

On the Senate Homeland Security Committee, I have worked to better protect our nation against the threat of terrorist attacks and to strengthen the federal partnership with our emergency managers and first responders in responding to natural disasters. The disruption of terrorist plots last year and the improved federal response to natural disasters, such as the Patriots' Day storm here in Maine and the wildfires in California, demonstrate that these efforts are producing real results. Building on our past successful efforts to reform the intelligence community and to increase security at our nation's seaports and chemical facilities, I worked with Senator Joe Lieberman again, to gain approval of a new law further strengthening our homeland security.

With so many pressing needs in this country, we cannot afford to see taxpayers' dollars lost to waste, fraud, and abuse. Working with the Inspectors General, I have written a bipartisan bill to reform wasteful government contracting practices. The Senate approved this bill in November, and I hope it will become law later this year.

Congress last year passed several bills that I advocated to improve health care, expand aid for education, and protect our environment. These include increased funding for the program to expand access to dental services in rural communities, additional funding for diabetes research, and an extension of a tax deduction for teachers. As a member of the Special Committee on Aging, I worked to create a Task Force on Alzheimer's Disease and introduced a bipartisan bill to block cuts in home health care.

Record-high energy costs are imposing a tremendous burden on our low-income families, truckers, and small businesses. With a bipartisan coalition of Senators, including Olympia Snowe, I fought for increased funding for the Low-Income Home Energy Assistance Program (LIHEAP). We secured a \$400 million increase over last-year's level and will continue to press for additional funding. I also have called upon the Department of Energy to stop buying oil for the Strategic Petroleum Reserve until prices moderate. There is no compelling justification for the Department to take oil off the market at a time when prices are sky high and consumers are struggling to heat their homes and fill their gas tanks.

We need to embrace the goal of energy independence to reduce our reliance on imported oil by developing bio fuels, such as cellulosic ethanol, by increasing fuel efficiency standards for vehicles, and by supporting research into better technology. The new energy law takes significant steps in the right direction.

I am grateful for the opportunity to serve the great State of Maine. If ever I may be of assistance to you, please do contact my Bangor office at 945-0417.

Sincerely,

Susan M. Collins
